

## OKOCIM PORTER

Poland

Okocim Porter is classified as a Baltic Porter, it is a dark lager with glistening deep brown color, a distinct creamy head, a noble aroma with a layered, almost toffee like finish. The exceptional flavor of this baltic porter is achieved through a special combination of carefully selected ecological ingredients and prepared according to a traditional recipe.

Okocim Porter has won recognition not only among the brand's lovers but also among those who enjoy new taste experiences. It makes it a superb beverage for the afternoons and evenings.

Okocim Porter also is a delightful dessert beer.

ABV = 8.3%

Okocim Porter is available in cases of 20 x 500ml (1Pt. 9fl.oz.) bottles
